

Derivatives Pricing Overview

October 2025

Derivatives Early Bird Fee Overview:

Pricing Overview

Bitstamp Financial Services Ltd. (“Bitstamp”) offers the following rates to clients participating in the early stages of the Bitstamp Derivatives Platform.

Promotion	Asset Pairs	Joined Before	Maker Fee	Taker Fee
Super-Early Bird Fees	All Perp Pairs	14 October 2025	-0.01%	0.015%
Early Bird Fees	All Perp Pairs	Until tier-based fee structure implementation	-0.005%	0.015%

Super Early Bird Fees apply to clients who joined the platform before 14 October 2025. Clients joining after that date will be eligible for Early Bird fees.

The Early Bird pricing will remain in effect until Bitstamp introduces a volume-based tiered rate structure, which will replace the earlier pricing models once implemented.
